

ART AND DESIGN

OCR CAMBRIDGE TECHNICAL CERTIFICATE
EXTENDED DIPLOMA LEVEL 3

COURSE OVERVIEW

This multi-disciplinary course covers a wide range of skills and techniques in Art and Design. Through set project briefs you will study Drawing, Painting, Adobe Photoshop, Illustration, Photography, 3D Design, Surface Decoration, Ceramics, Print and Textiles. These disciplines are taught in specially equipped studios. There are units at the end of each year which allow the development of a particular discipline chosen by you. You will gain experience of working with a broad range of media, including traditional and new media technologies.

CAREER PROGRESSION

Many students progress onto the BTEC Pre-Degree Foundation in Art and Design and to a variety of high profile BA (Hons) Degree courses. This course will be valuable for students wishing to pursue a career in Art and Design.

FURTHER INFORMATION

There is a range of extension opportunities for students studying all courses in Art & Design. Study visits to Botanical Gardens and Newark Museum Leicester. We also benefit from a programme of visiting speakers and professional workshops carried out by professionals who work in the Art & Design Industry. Each year students participate in creating for the Gateway Fashion Show and display individual Art & Design work in the Summer End of Year Exhibition (June).

Previous School:

Beauchamp College

"The course was so helpful as it taught me a wide variety of art and design skills that I can now take forward onto the Pre-Degree Foundation Course and find my specialism. I chose Gateway because the course choices here are much better and allowed me to only do art and design subjects."
