

I am Gufran and I have recently been appointed to join the Board of Governors.

It was not long ago I was also a student, I am also local to the college which I feel will benefit me in fulfilling the role of being a governor for the Trust.

I have worked in various environments in different sectors and worked alongside people from all walks of life and I am keen on using the knowledge and skills I have gained over the years to bring great ideas to the table.

I look forward to getting to know the excellent staff and students at the college and look forward to ensuring the success of the college for many more years.
