

Gateway College Sixth Form College Careers Programme

Gateway Sixth Form College is committed to providing impartial Careers Education, Information, Advice and Guidance (CEIAG) to all students, both through the curriculum and a comprehensive range of organised activities. Students are provided with differentiated, current, accurate and relevant information to help them raise their aspirations, make good choices and understand what they need to do to reach and succeed in their chosen career and progression plans. Students are encouraged to develop their knowledge, skills and behaviours to increase their self-awareness, resilience and confidence and prepare them for next steps.

Working with the local and regional business community to understand and address the needs of the local area Gateway Sixth Form College provides high-quality careers, employability and enrichment provision which raises aspirations, improves motivation and develops the skills needed for students to achieve their full potential in an inclusive and supportive environment.
