

JULIA ORŁOWICZ

Julia is one of the interns at Marriot Hotel in the housekeeping team. She is originally from Poland and now lives with her family in Leicester.

“At the beginning, I found it hard to make the beds in the hotel rooms. I had never done it before!”

“I feel proud that I have learnt so many skills and I can carry out tasks by myself. I am more confident now too. ”

Julia has been supported by three members of staff in her team.

They have shown and helped her practise keeping the guests’ rooms and bathrooms clean and ready for use.

“I can complete all the cleaning tasks by myself. I know where to get the clean bed linens and towels and I can also go to the stock inventory to replenish the amenities in the guests’ rooms ”
