

Ayla is a housekeeper working in wards that are separated between male and female patients.

She works on different tasks alongside ward nurses and other volunteers, which include:

- **Making and serving hot and cold drinks with sweet and savory snacks**

- **Plating and serving meals**

- **Filling up the water jug**

- **Stripping the bedding**

- **Moving and handling the food and drinks trolley**

“I would like to stay on at Glenfield and pursue the role of a housekeeper.”

“All of the staff on the ward are really helpful such as nurses and cleaners. I get on well with them all.”

“I enjoy making hot drinks and getting appreciated for it by staff and patients.”
