

Alli Tandy – Community Governor and SEND Link Governor

Alli Tandy has been a qualified and registered social worker for more than 20 years. Starting in a local authority in a frontline social care role, she has also worked as a team manager and independent reviewing officer. More recently, Alli worked as an inspector and manager for Ofsted as part of the team registering and inspecting supported accommodation for young people aged 16-18. Currently Alli is working for a private provider of children's homes and supported accommodation. In her spare time, Alli enjoys yoga, live music and travelling.
